

DISTRICT #8 JUNIOR UMPIRES ASSOCIATION

I, _____ am registering to become a Trained Junior Umpire, certified and under the supervision of the New York District #8 Umpires Association. I will attend all umpire classes, on-field training and testing to insure that I am fully qualified to umpire in my in-house league and post season games. I will also be available to help with umpiring in District 8 Little League programs whenever the District needs my services.

Upon passing the Umpire Test and judged ready, District 8 Little League will furnish me with a Shirt, Hat, Ball Bag, Plate Brush and Indicator. I will wear gray pants and black shoes or black sneakers and will always look neat and ready to umpire. A stipend will be given to me for each game I umpire during the regular season, post-season and district programs.

I understand that the New York District 8 Umpires Association, under the direction of the Executive Board of District 8 Little League, will oversee this association.

I understand that I agree to pay a \$60.00 fee (to accompany this registration) to help cover the costs of training and materials supplied to me. I understand that I must be 14 years old and will provide a copy of my birth certificate at registration.
