

District 8 Little League

ALL STAR TOURNAMENTS

HOST SITE DIRECTOR'S RESPONSIBILITIES

1. Be sure that all games at your site begin at the scheduled time.
2. Games must be covered by **two (2) umpires**. If assigned District 8 umpires do not show up at a game, the game must be covered by volunteer umpires.
3. Although Site and Game Directors are not allowed to make any on field decisions, be sure that any problems which may occur are resolved by the umpires and coaches first. If a problem cannot be resolved, contact one of the District Staff. Remember **protests** need to be resolved at the time of infraction, **before the next pitch**, by a tournament committee member before the game can continue.
4. Home Team and Visiting Team will be decided by **flip** of a coin.
5. **Your site** has the **option** to give hot dogs, soda, pizza, chips, etc. to the teams and coaches.
6. An **Official Scoring Table** Must Be at Each Field. The **Scorers** will keep the **Official Score Book and Pitch Count**. You are to **collect each teams Affidavit**, complete Pitch Count & Ejection Form. After each half inning, score keepers from each team will meet at the table and agree on pitch count and score. All substitutions will be made through the scoring table, with both score keepers present.
7. **Coaches** must have the **All Star Affidavit**, which contains the team roster, and pitching record, signed map, medical releases form. If any questions should arise in regard to the eligibility of players on the roster, please contact one of the members of the District 8 Tournament Committee.
8. You may post a field schedule, so that teams will know what field they will be playing on. Also collect all scores from the games, and remind coaches, that they must submit scores on line (**district8ll.com**) for their appropriate division. This must be done immediately following the completion of the game. The following day's brackets will depend on scores being called in.
9. All Managers and Coaches must dress appropriately during the game.

As the Site Director, we are asking you to make every effort to see that games run smoothly, and that all players have fun and an enjoyable All Star experience.
