

Umpire

Positioning Diagrams

The following Diagrams are derived from the publication “The Umpire in Little League”

The “KEY” below is used on the following Diagrams:

If a runner by “leaving soon”, be sure to drop your red signal flag (hat) immediately indicating what has happened. Continue to move to position yourself to properly call the ensuing play. After the play is completed, “time” should be called by raising your hands overhead. The violation should then be announced and the batter and base runner(s) should be sent to their appropriate bases. Make sure your signal flag (hat) is retrieved.

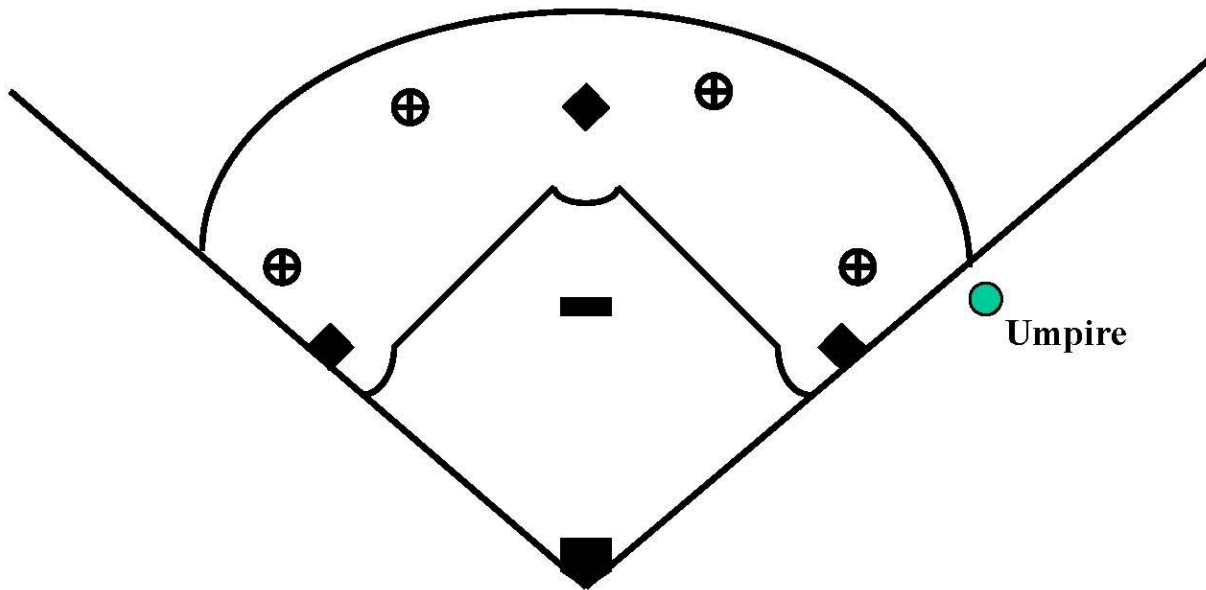

violates the rule the base too

NOTE: You may need to “adjust” your position in order to see “around” an infielder. Allow the infielder to take his/her position and then adjust your position accordingly –do not ask the fielder to “move”.

 Umpire

 Infielder

----- Line of Vision
